LightSync Digital

G2 Multi-Zone Dimmer Switch Station

Date:

## **Overview**

The LightSync Digital G2 Multi-Zone Dimmer Switch Station provides control of up to 4 dimmer zones. It provides on/off control and individual/grouped zone dimming with press and hold control. The G2 switch is available in 1, 2, 3, or 4 zone control configurations. This dimmer switch allows the user to select individual or multiple dimmer zones to be controlled at the same time. Uses standard LightSync device addressing, and ramp up/ramp down control.
