

LightSync Digital

G3 Color Change Kit

Overview

The LightSync G3 Color Change Kit allows for simple field modification of a G3 digital switch. The CCK comes as a complete assembly with pre-installed buttons to allow quick and easy replacement. The assembly will come ready to install by replacing the switch frame in your existing G3 switch. The CCK is available in all colors White, Ivory Gray, Black, and Red; and all G3 switch types Multi-Zone Dimmer, Scene, Scene Multi-Zone Dimmer, or Non-Dim.

Features
